- **(Embassy Track)** Universities should notify each candidate of the result of the third round by December 15, 2023

※ Candidates who fail from all three universities in their final round of selection will be disqualified from the program

Embassy Track applicants who pass the 3rd round selection should notify their final choice of university to NIIED via email by December 22, 2023

※ Embassy track applicants who pass the 3rd round of selection cannot change their university choice after final admission is confirmed

- Among the successful candidates of the second round (university track) or the third round (embassy track), those who newly achieved TOPIK level 5 or 6 should send their TOPIK certificate to NIIED via email by December 22, 2023
- NIIED will classify those who have obtained TOPIK level 5~6 as those who enter degree program. All other successful candidates will be arranged for a Korean language program

※ TOPIK certificates from the 77th to the 91st exam will be recognized as valid certificates

- NIIED will notify the list of final successful candidates to embassies and universities by early January
 - The list of final successful candidates will also be announced on Study in Korea website (www.studyinkorea.go.kr)

○ Final Successful Candidates will receive invitation letters and guidance on entry from NIIED

◆ Important Notes regarding Successful Candidates

○ Final Successful Candidates' withdrawal

- If a final successful candidate wishes to withdraw from the program after the final announcement, he or she should submit a signed letter of scholarship renunciation (free form) to the embassy/university that conducted the first round of selection
- Embassy or university should request NIIED a scholarship renunciation through an official document. Only then, the scholarship will be officially renounced
- Once a scholarship is renounced, it cannot be reversed. Final Successful Candidates who renounce their scholarship cannot reapply for the GKS program in the future. If the case of renunciation is repeated, the relevant countries will lose their GKS quota in the future

○ Certificate of Graduation

- Successful candidates are required to prepare multiple copies of apostilled or consular confirmed graduation certificate before their entry to Korea. Scholars may need to submit their authenticated certificate to their degree university (for an issuance of Standard Admission Letter), to an embassy (for visa issuance), and to Korean immigration office (for a renewal or an update of their status of residence in Korea)
- ※ This prevents scholars from returning to their home country to retrieve another set of apostilled or consular confirmed graduation certificates that are needed for an issuance of Standard Admission Letter after they are finished with their Korean language program

○ Final Successful Candidates who are currently residing in Korea

- Final successful candidates who have Korean residence visa (D-4, D-2, etc.) may not be able to receive a new visa for their Korean language program or degree program in Korea^{*}
 - * To avoid any visa related issues, after the final announcement, final successful candidates who are residing in Korea should contact the Immigration office immediately to inquire about a new visa. Your inquiry should entail the necessary procedure and required documents in obtaining a new visa
- Entry airfare will NOT be provided to newly selected scholars who are residing in Korea at the time of the final announcement

○ Check applicable Laws and Regulations

- Final successful candidates must fully familiarize themselves with immigration and residency laws, academic regulations of NIIED and each academic institution
