Agenda Item No. 1 : Sierra Leone

Activity Summary

- The Dean of PSPS has expressed his concern regarding the flashflood in Sierra Leone. He asked Student Council to come up with ideas on how we can give contribution in helping the people
- The Student Council come up with two ideas:
 - Clothes donation: the idea is to prepare a box of donation for students who want to donate their clothes for the victims. However, this one has a challenge especially in terms of distributing the donation. The SC concerns on whether there is a body of humanitarian representative at the city to distribute this kind of donation.
 - Monetary donation: the idea is to announce at the Facebook page regarding the incident and invite student body to donate money voluntarily through designated bank account or drop the money into the donation box placed at the office or circulated during events. SC would also like to take some amount of money from its budget to be donated.
